HIGHLIGHTS

- Advanced skills and knowledge in content creation and science communication
- Advanced skills in writing

AbdulAzeez Shobajo

PhD student & Junior Researcher

WORK EXPERIENCE

Junior Researcher

BioResources & Technology Division (BRT) at FTZ/CZU

Sept. 2023 - Ongoing

- CZU Prague, Czech Republic
- Research on technologies and sustainability of the environment.
- Recycling Phosphogypsum into Value-Added Biobased Products for Sustainable Conversion".

Researcher

African Cassava Agronomy Initiative (ACAI)

2018 - 2019

- Abeokuta, Nigeria
- Carried out research on changes in soil particle distribution and saturated hydraulic conductivity under different times of cassava production.

Intern

FADAMA (Irritable Lands)

2014 - 2018

- Carried out Soil sustainability and Land Management Practices on the FADAMA Farm
- Conducted Soil Thermal Conductivity, Soil Resistivity, Soil Elasticity, and other soil analysis on the farms.
- Carried out soil mapping and sampling on the farms

EDUCATION HISTORY

Ph.D.

Czech University of Life Sciences, Prague
Ongoing

Masters in Tropical Crop Management and Ecology

Czech University of Life Sciences, Prague

Year of Graduation: 2023

- Prague, Czech Republic
- Degree in Crop Management and Ecology
Dissertation research on "Potential of Sugarcane Bagasse as Feedstock for Biogas Production in Nigeria."

Bachelors in Soil Science and Land Management

Federal University of Agriculture, Abeokuta

Year of Graduation: 2019

- Prague, Czech Republic
- Ogun State, Nigeria
- Degree in Agriculture

LANGUAGE SKILLS

- **English** - native speaker
- **Arabic** - fluent

COMMUNICATION SKILLS

- Excellent written and verbal communication skills
- Project management and mentorship
- Supervision of different projects
- Enjoy public speaking, reading, and writing

OTHER SKILLS AND EXPERIENCES

- Experience in soil analysis
- Experience in biotechnologies of waste recycling
- Management, pre-treatment, and utilization of waste/by-products for bioconversion. Production of bio-based products like biofuels and bio-fertilizer
- Graphics Design
- Video Animation
- Blogging, Content Writing.
- HTML, CSS, C, Bootstrap
